I used to think I'd never want to leave home, but now that I'm all grown up I can't wait to get out of here! I just want some privacy, you know? Like last night, I was in bed fucking myself with my vibrator when my mom barged in. Holy fuck! I freaked because I thought maybe she'd heard me, but she was just saying goodnight, whew! Of course, as soon as she was gone I was vibing away again—after I'd locked the door, I mean!

There's no
place like home...
except when
you're horny
and need
to be alone!

All the girls in my class think I'm an uppity bitch, but they're just jealous 'cause I snagged our class president. And they don't even know the good stuff; like that he spends hours licking me, until his face is all shiny with my pussy juice! Or, that sometimes he'll bury his tongue in my ass crack and fuck my butt with it while he diddles my clit. Man, that makes me cum until I scream! Those stupid little schoolgirls would hate me even more if they knew that!

$\mathbf{J} = \mathbf{J}(\mathbf{r}, \mathbf{p}, \mathbf{r}, \mathbf{p})$ is a function of \mathbf{r} and \mathbf{p} at the right hand side, and his Hamiltonian at the left hand side. The two sides are equal when \mathbf{r} and \mathbf{p} are the old coordinates and momenta, and the two sides are equal when \mathbf{r} and \mathbf{p} are the new coordinates and momenta.

As a result, the model is able to capture the underlying structure of the data, and the results are more accurate and reliable than those obtained from traditional methods.

Two guys have already tried to get into my pussy and I'm only just turned 18, can you believe it? But no way, I'm not going to let some dumb high school guy in there. I'm going to stay pure as the driven snow until my wedding night. As a matter of fact, I won't even put my own fingers up my pussy. It'd be like popping my own cherry, you know? And this way I know I'll be a real virgin when I get married!

Natally & Ariel

I met Natally online and at first we were just friends. But after she got her first place (and her parents weren't breathing down her neck anymore!) she started looking up porn online and sending me the links. Man, they were dirty, like *buttfucking* and stuff. But they totally made me horny and pretty soon Natally and I were doing *cybersex*! But that's not all. When we finally got together, well, we couldn't keep our hands off each other. So I ended up doing some *buttfucking* (with my tongue and fingers!) of my own! Yum!

Senior Scrapbook

I had a real big problem and it was all because of my American History teacher, Mrs. Bartlett. When she handed out the final term paper assignments and I saw that mine was on the sexual revolution of the 1960s, I wanted to die! How ironic that the only remaining virgin in the entire senior class should have to write a report on the history of fucking! I didn't have a clue where to begin, and if I didn't ace this paper, I wouldn't be able to graduate. Then my mom suggested that I visit an old friend of hers named Sledge who had actually lived through the whole event. Mom refused to elaborate on her relationship with this guy, but she claimed that he could provide a personal background that would guarantee me an A, so I braided my long brown hair into a ponytail, slipped into my nicest blouse and best denim mini skirt, and hopped the bus over to the address my mother gave me.

It took me the longest time to find the apartment. I knocked and waited. Finally, I heard someone answer. "Who?" I asked. "The voice belted through the door." I opened the door and saw a man. "What a dump! If I hadn't needed that passing grade, I would have turned around and left. Clutching my dog-eared spiral notebook close to my small chest, I settled my butt onto the dilapidated sofa and tried to figure out what was causing the strange noises I heard echoing throughout the cramped apartment. Suddenly, the creaks and groans and high-pitched cries battering my eardrums made sense. Sledge was having sex with someone—right there while I sat in his living room! How rude! And yet, I couldn't stop listening. I had never heard anyone actually doing it before and it made me feel funny all over. My pulpy, pink nipples quickly blossomed inside the cups of my white cotton bra and a layer of sticky moisture gushed beyond the leg bands of my panties to coat the insides of my thighs. I was about to sneak one hand down into my undies to rub my cunt when the raucous noises abruptly stopped. Everything grew quiet except for the faint creaking of floorboards somewhere off in the distance. Embarrassed, I lowered my gaze to study my long, smudged feet.

"Hey! I'm Sledge! Who are you?" a raspy voice said.

I looked up to see a tall, skinny man with long, thinning hair that sprang out around his head in a tangled mass of wavy waves. He was bare-chested, and his faded jeans, carelessly unbuttoned, hung loosely around his

not-easiest waist.

"Karl! Karl Walker!" I peeped, trying to ignore the obvious bulge tenting his gray crotch area. "My mom's Andrea Walker. She said that you might be able to help me with my term paper."

"Oh, Andrea! Yeah! The sexual revolution, right? Cool! What do you want to know?"

"Yeah! Whatever you need, Sledge is your man, honey," a husky, female voice said.

Turning slightly, I saw a tall woman wearing nothing except a pair of faded blue bikini panties stride into the room. I grinned stupidly, and gulped out loud. Sledge's gal pal, who appeared to be in her early forties, was gorgeous. Her shoulder-length, chestnut-colored hair hung freely down around her anatomic face in a mass of unruly ringlets that fell gracefully across the upper slopes of her full, red-tipped breasts which floated buoyantly above the slight curve of her tummy. Those breasts were a stark contrast to my own B-sized, undeveloped teenage tits, and yet, fit in nicely with the firm, round swell of her hips and the sinewy contours of her wire long legs.

"I'm Rose," she said, flashing me a friendly smile, as she floated down beside me on the couch. "Nice to meet you, Karl."

I nodded and locked my knees together, convinced that Sledge was trying to peek up my skirt. Before I could think of anything else to say, Sledge launched into a verbal monologue of recollections that left me shocked, bewil-

stirred, and aroused. According to Sledge, the sexual revolution had been about young people screwing whomever they wanted, whenever they wanted.

"What Sledge means, honey," Rose said, casually slipping her arm around my shoulders, "is that guys and chicks in these days did that kind of kinky shit so that 21 century cuties like you would have the freedom to suck and fuck all the time! Got it?"

"No!" I peeped, frantically shaking my head.

Rose gasped and sat upright. "Yes...do...fuck? Don't you, Kerl?"

Folding my arms, I bowed my head in shame.

"Holy shit! A virgin?" Sledge chuckled. "But...how?"

"I think she's just shy!" Rose interjected.

"Is that the problem?" Sledge exclaimed. "Hell! We can take care of that!"

**HIPPIE
LOVE!**

"Sledge is right, Kerl. We can show you how," Rose whispered. "If you want."

My head was spinning, making it impossible to think straight. I was turned on, that's for sure, and Sledge was kind of cute, but I was sort of confused about what Rose had to do with it. "Well...a...maybe...I..."

That's when Sledge leaned over to kiss me. His lips were gentle, yet persistent, like his hands, which were everywhere. He broke away only once, to slide my top up over my head while Rose shyly unwrapped my bra and remove my shirt. Everything was happening super fast! But it felt so good that I just melted in their joint embrace. The instant Sledge decked down to suckle on one of my marshmallowy nipples, Rose's full, moist, lips covered mine, and for some reason I still can't explain, I boldly stabbed my tongue into her waiting mouth. Then I heard the unmistakable thud of grungy derma hitting the floor and the sensation of something incredibly hard and incredibly thick being placed in my hand. Afraid to look, I waited until Rose swooped around to take her boyfriend's place on my life before peering over her head to confirm that I was holding Sledge's raging penis. What a monster! The foot-long, tubular member currently thrashing in the tunnel of my small, curled fingers reminded me of a fleshy ballroom man held together by a bunch of intertwining veins, capped by a chubby, purplish crown that oozed a steady stream of clear fluid.

"That feels fantastic, Kerl," Sledge groaned, as I tentatively stroked his thing. "Why don't you suck it?"

Even though I wanted to try, I couldn't imagine being able to fit something that large in my mouth. Rose offered to give me a demonstration. Guiding me to my knees, she placed my right hand under Sledge's dangling, wrinkled testicles, then wrapped her sexy lips over his chunky tip and slowly siphoned most of her boyfriend's enormous prick into her mouth. It was awesome! I couldn't believe what I was seeing! I almost fainted when Sledge jacked his angular backside, sending the remainder of his staff crashing down Rose's throat. Watching Rose bob easily on Sledge's steady shaft was really making my pussy wet. By the time he yanked his thrashing pecker out of Rose's suctioning mouth, and lovingly poked it into my cheek, my panties were soaked. I cautiously got a flimsy grip on his rigid member and stretched my jaws wide. The minute Sledge's oversized achings slowed onto my flattened tongue Rose braced the back of my head with one hand, and slid the other down between my legs. His plum-shaped slapper skidded upward, grazed the roof of my mouth, and bumped into my tonsils, temporarily forcing the air from my lungs. It was a bit scary. My eyes were watering, my cheeks were beet red, and a stream of spittle hung off my lower lip, but I didn't want to stop. Rose's dancing fingers were working me into a sexual frenzy that increased my desire to taste the older man's spunk. Taking a shallow breath, I got a better grip on his thick, throbbing base, and impulsively siphoned his entire rod down my throat.

"Yeah! That's it!" Sledge bellowed, grabbing hold of my flying ponytails. "Faster, Kerl! Faster!"

Suppressing my gag reflex, I fell into a natural rhythm that countered Sledge's lurching hips, gradually increased the vacuum around his rapidly expanding whopper until the aging hippie let out a long, drawn-out groan, and spewed a geyser of semen into my compressed mouth. I instinctively began gulping in order to catch every drop of his salty goop, and when he finally stumbled backwards I folded against Rose's plush body.

"Man! Great B.J., Kerl!" Sledge wheezed.

Beating in his pants, I smiled up at him. I was very proud of myself. I had sucked a cock all the way, and swallowed my first load of jizz! Now I figured I was as trashy as any of the girls on the cheerleading squad—almost anyway.

**New Age
Lovechilla**

"Want to play some more, sugar?" Rose asked, lightly kissing my forehead. "Sure!" I peeped, hoarsely.

At this point I was so horny that I couldn't wait to get my cherry popped. In a flash, I was sprawled out naked on Sledge's rumpled mattress with Rose crouched at the end of the bed gently spreading my slim legs.

"So pretty," she murmured, carefully parting my delicate pink petals before leaning forward to slobber her tongue up inside my tender opening.

A surge of sensual energy traveled from my tummy straight up along my spine to short-circuit my brain. I hadn't expected her to go down on me, but I couldn't deny that her fluttering tongue felt fantastic!

"Ooooo! Rose!" I whined, gyrating uncontrollably as she eagerly licked and swabbed every exposed inch of my fragile vagina. "That feels fantastic! Ohhh, god! Uh-huh! Yes! Ohhhh! Rose! Yes! Eat my cunny!"

Despite all the stories that I'd heard around school about girls doing naughty stuff to other girls, nothing could have prepared me for the incredible sensations coursing through my twitching body. Rose's expert technique soon had me teetering on the verge of an outstanding orgasm.

"No more fooling around!" I heard Sledge declare impatiently. "I'm going to take her!"

Shivering with desire, I watched the lanky freak ridge Rose aside, set my slim calves on his craggy shoulders, and dragged the length of his member along my drooling folds. I was amazed that his cock was hard again already - and it looked even bigger than before! While Rose twelt beside me to cue words of encouragement, Sledge circled both paws around my trembling thighs and nuzzled his shiny knob beyond the portal of my flowering labes. I immediately switched my attention to Rose's smiling face. A slight ripping sound echoed in my ears, followed by an odd itching sensation in my pubic area.

"Oh, god!" I yelped, unable to contain myself.

"I'm in!" Sledge announced proudly. "Down, she's tight!"

"Puck her, Sledge!" Rose trilled, lightly kneading my ballered jugs. "Pop her good!"

He sure was doing that! I had awareness that my lower body was being penetrated, but the minor discomfort made no difference. I liked it too much to notice!

"Yes! Yes! Yes!" I squealed, reaching above me to latch onto the headboard while I locked my ankles behind Sledge's crested neck and forced my ass off the bed to meet his mighty thrusts. "Fuck my cunny! Please keep fucking my cunny!"

It was all a hazy dream to me - the heavy breathing, the yearling moans, the incessant pounding that launched burner after burner throughout the rickety bed frame - even the orgasm that simmered deep in my belly seemed animated and wishful.

"Time to make a change, my precious flower child," Sledge snarled, abruptly pulling his thing out of my gooey hole.

I didn't understand. Strong hands elevated me above the bed, the room swung sideways, and I found herself perched on all fours peering down at the tangled forest of Rose's dark, velvety, heat fer.

"Jesus, Ker!" she purred, peering down at me over her heaving bosom. "I can't stand it anymore! You're driving me crazy! Eat my pussy, sweetheart!"

Before I could ask any questions, Sledge re-entered my ravaged quim, shoving my face straight into Rose's mushy snatch. I remember trilling happily at having my itching cunt filled again, and automatically stuck my tongue out to spear the panting woman's glistening pink petals.

"Eessseel! Yes!" Rose yelped, stepping her strong thighs shut around my burrowing head. "Oh, Sledge, baby! Give it to her! Ohhhhh! Brrrrrrrr! Oh, Ker! Lick my cliti!"

I knew where my own clit was located - Sledge's balls were currently smacking it as he clutched my undulating hips and picked up the pace -

god! I'm cumming!"

"Awwwww! Uh-huh! Uh-huh! Ohhhhh, yes! Me, too!" I shrieked into Rose's dew-drenched ebony port. "Ohhhhh! It's wonderful! Oh, Sledge! Fuck me! Keep fucking my dirty cunny! I'm cumming!"

"Sorry, babe!" Sledge huffed. "I...I can't hold on! Agggghhh! I'm gonna unload!"

Riding the crest of my pleasure, I didn't stop to think about the danger of Sledge cumming inside me. Luckily, he managed to remove his spurting pack at the last minute and splatter my smooth, rosed asscheeks.

"Do you get it now, sweetheart?" Rose cooed affectionately as I snuggled into her cushy bosom.

"Yes, Rose," I panted. "I finally understand what the sexual revolution was all about!"

It was true. I had been transformed into revolutionary and I couldn't wait to show all those high school boys what I had learned. ●

My nips grew like crazy last summer and now they look awesome, don't you think? Plus they're super sensitive! All I have to do is touch 'em and I cum. My friend Kiki didn't believe me even after I showed her, so I told her to try it herself. And she did, only she used her tongue! She sucked my nipples so hard that I creamed my jeans right then and there. Hey, if this is what growing up is like, I am so there!
